MESSAGE FROM HON. CHAIRMAN

The most successful companies, organizations and groups have one thing in common – the ability to ignore individual differences and work as a ‘team’. Teamwork is the most essential ingredient that helps groups achieve various goals in spite of various ups and downs. The leader may be talented and capable as an individual, but he cannot achieve his goals without the help of an efficient team.

As one goes up the management ladder, the leader realises that the most important role of the captain is to ‘lead’ a good team. He needs to delegate and share his responsibilities with other efficient team members. Apart from his own performance, he needs to play the role of a strategist. Kautilya warns leaders, who think they can manage on their own without the help of others, about their folly:

“Rulership can be successfully carried out (only) with the help of associates. One wheel alone does not turn. Therefore, he should appoint ministers and listen to their opinion.”

There are a lot of hidden benefits of good team work:

***No One Is Indispensable**

Too much dependency on one person is very dangerous. However, if we have a good team, his absence is made up for by another talented or skilled person. It not only eliminates dependency but also keeps everyone on their toes performing well.

***Individual Weaknesses Are Covered Up:-**

Everyone makes mistakes. But these must be seen as lessons. Other team members perform their best to cover up the loss. In the end, the total result matters, not the individual achievements.

***Individual Strengths Become 'Total' Strength:-**

Each person has his own strengths. Now, these individual strengths collectively become more powerful. Remember the concept of synergy? One plus one is greater than two. One always performs better as a team rather than as individuals.

***You Think along with Others:-**

Each person has a different understanding of the same situation. Take the opinion of the team members with the help of a little brainstorming. Thus, one thinks about a solution with the help of another person's mind.

As Stephen Covey says, "Strength lies in differences, not in similarities." Thus, one thinks of a solution to a problem with the help of another person's mind. Therefore, it is important for a leader to appoint the right managers, listen to their opinions and proceed with a certain strategic plan. Theodore Roosevelt, the 26th president of the United States was once asked about teamwork, "The best executive is the one who has sense enough to pick good men to do what he wants done, and self-restraint enough to keep from meddling with them while they do it," he said. This also takes a lot of pressure off, and unwanted expectations from, the leader.

MESSAGE FROM PRINCIPAL DESK

Dear all I take immense pleasure in presenting before you "BRIGHTONITE" 2024-25, Volume VII . I am very fortunate to work with such dedicated, innovative and caring staff members, parents and students. I find each day an adventure filled with new experiences, learning for all, and a chance to constantly widen our horizons. It always gives me a great pleasure to see the sea of smiling faces of children and I must admit that on many days it is the students who make my day a little brighter. the growth of each individual student is our focus. We recognize that as we 'work together and learn together' students will be best able to achieve their potential.

Our curriculum and practices are consistently reviewed to ensure that we are following the most updated best practices, meeting all regulations, and addressing the future needs of our students. Our staff consistently follows current trends and after brainstorming over the best plan of action to incorporate those trends, we zero in on the ones that are most appropriate to our classrooms. The system of education has become so dynamic that it is no longer enough to connect the dots, we need to think out of the box and think beyond a pattern.

Mahatma Gandhi & Lal Bahadur Shastri Jayanti

Brighton World School celebrated Gandhi Jayanti and the birth anniversary of Lal Bahadur Shastri with a special assembly to honor their legacies. The assembly began with a heartfelt tribute to Mahatma Gandhi and Lal Bahadur Shastri, recognizing their contributions to India's freedom and development. Students and staff recited a pledge, reaffirming their commitment to Gandhiji's principles of truth, non-violence, and equality, as well as Shastri Ji's ideals of simplicity and dedication to the nation.

In line with Gandhiji's vision of cleanliness, a cleanliness drive was conducted where students actively participated in cleaning the school premises and surrounding areas. This activity not only promoted the importance of cleanliness but also encouraged the school community to maintain hygiene and contribute to a cleaner environment, echoing the principles of the Swachh Bharat Abhiyan.

The celebration served as a powerful reminder of the teachings of both Mahatma Gandhi and Lal Bahadur Shastri, inspiring everyone to embody their values in everyday life.

LET US SALUTE THE NATION.”**

Staff Meeting

A teacher meeting was conducted at Brighton World School to discuss the commencement of the second term and address necessary changes for a smooth and effective continuation of the academic year. The meeting began with a reflection on the progress made during the first term, acknowledging the efforts of the teachers and students. The principal emphasized the importance of maintaining high academic standards while fostering holistic development among students.

उपवन भ्रमण

****ब्राइटन वर्ल्ड स्कूल के Grade 1 के छात्रों ने हिंदी विषय के अंतर्गत "रिच गतिविधि" के हिस्से के रूप में उपवन (गार्डन) का दौरा किया। इस गतिविधि का उद्देश्य उपवन के महत्व और उससे जुड़े विभिन्न पहलुओं को समझना था। यहाँ हम इस गतिविधि के मुख्य बिंदुओं को विस्तार से प्रस्तुत कर रहे हैं:****

1. **उपवन के महत्व को समझना:**

उपवन हमारे जीवन में महत्वपूर्ण स्थान रखता है। यह न केवल हमें ताजगी और शांति प्रदान करता है, बल्कि यह हमारे पर्यावरण को भी समृद्ध बनाता है। छात्रों ने सीखा कि उपवन हमारे लिए फल, फूल और औषधियाँ प्रदान करता है, और यह जैव विविधता का एक महत्वपूर्ण हिस्सा है। उपवन में विभिन्न प्रकार के पौधे और जीव-जंतु होते हैं, जो प्राकृतिक संतुलन बनाए रखने में मदद करते हैं।

2. **प्रकृति के करीब रहने के फायदों को जानना:**

छात्रों ने अनुभव किया कि जब हम प्रकृति के करीब होते हैं, तो हम ताजगी भरी हवा, हरियाली और शांतिपूर्ण वातावरण का आनंद लेते हैं। यह हमारे मानसिक स्वास्थ्य के लिए बहुत फायदेमंद होता है। उपवन में समय बिताने से हमें सकारात्मक ऊर्जा मिलती है और हम तनावमुक्त महसूस करते हैं। बच्चे इस बात को समझते हैं कि प्रकृति के करीब रहकर हम खुद को खुश और संतुलित रख सकते हैं।

Visit to Post Office Grade -II Activity

The Grade 2 students of Brighton World School visited a post office as part of an outreach activity. The objective of the visit was to familiarize students with the functioning of a post office and its role in communication. Here are the key details:

1. Purpose of Visit:

- To help students understand the significance of postal services.
- To learn about different types of mail, stamps, letters, and how the mailing system works.
- To provide a real-world experience of sending a letter or postcard.

2. *Key Learning Outcomes*:

- Understanding the process of posting a letter from start to finish.
- Recognizing the importance of stamps and how they are purchased and used.
- Observing different counters for services such as mailing, parcels, and savings accounts.
- Understanding how letters are sorted, distributed, and delivered.

3. *Activity Highlights*:

- The students were shown the various departments and counters in the post office.
- They observed postal workers sorting letters and parcels.
- They were given an opportunity to write and post a letter themselves, which was one of the most engaging parts of the visit.

4. *Engagement with Staff*:

- Postal workers explained their daily tasks, including the collection, sorting, and delivery of mail

This visit not only enhanced their learning about communication but also developed their understanding of community services.

G.K. Olympiad Exam

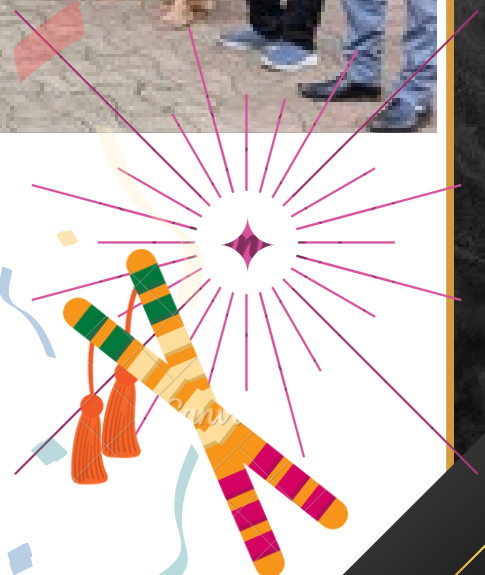

General Knowledge (G.K.) Olympiad was conducted at Brighton World School. It provided students with an opportunity to showcase their knowledge on a variety of topics, fostering competitive spirit and intellectual growth among participants.

ERP training for teachers

Navratri

Navratri celebrations at Brighton World School, Second day themed in green colour. The staff is beautifully dressed to mark the occasion!

Navratri Celebration

Term 1 PTM

we successfully conducted the I Term Parent-Teacher Meeting for Grades I to VIII. The discussions were thoughtful and detailed, with a focus on each student's progress and areas of improvement. Teachers ensured that feedback was communicated clearly, emphasizing the importance of effective communication . We appreciate the active participation of both parents and teachers in making this meeting a success."

Teacher Training

"Brighton World School pre-primary teachers attended a workshop on 'Effective Techniques in Teaching Science' on 5th October 2024 (Saturday) at GEI's Blossom International School, Dombivli."

Float & Sink Activity

The **Float and Sink Activity conducted on 4th October 2024 at Brighton World School was part of the Pre-Primary section's academic calendar, designed to provide a hands-on learning experience for young students. The goal of this activity was to enhance children's understanding of basic science concepts in a fun and engaging way while simultaneously promoting communication skills.**

English Olympiad Exam

The English (IEO) Olympiad was conducted at Brighton World School, offering students an opportunity to showcase their knowledge across a range of topics. The event fostered a spirit of healthy competition and promoted intellectual growth among the participants.

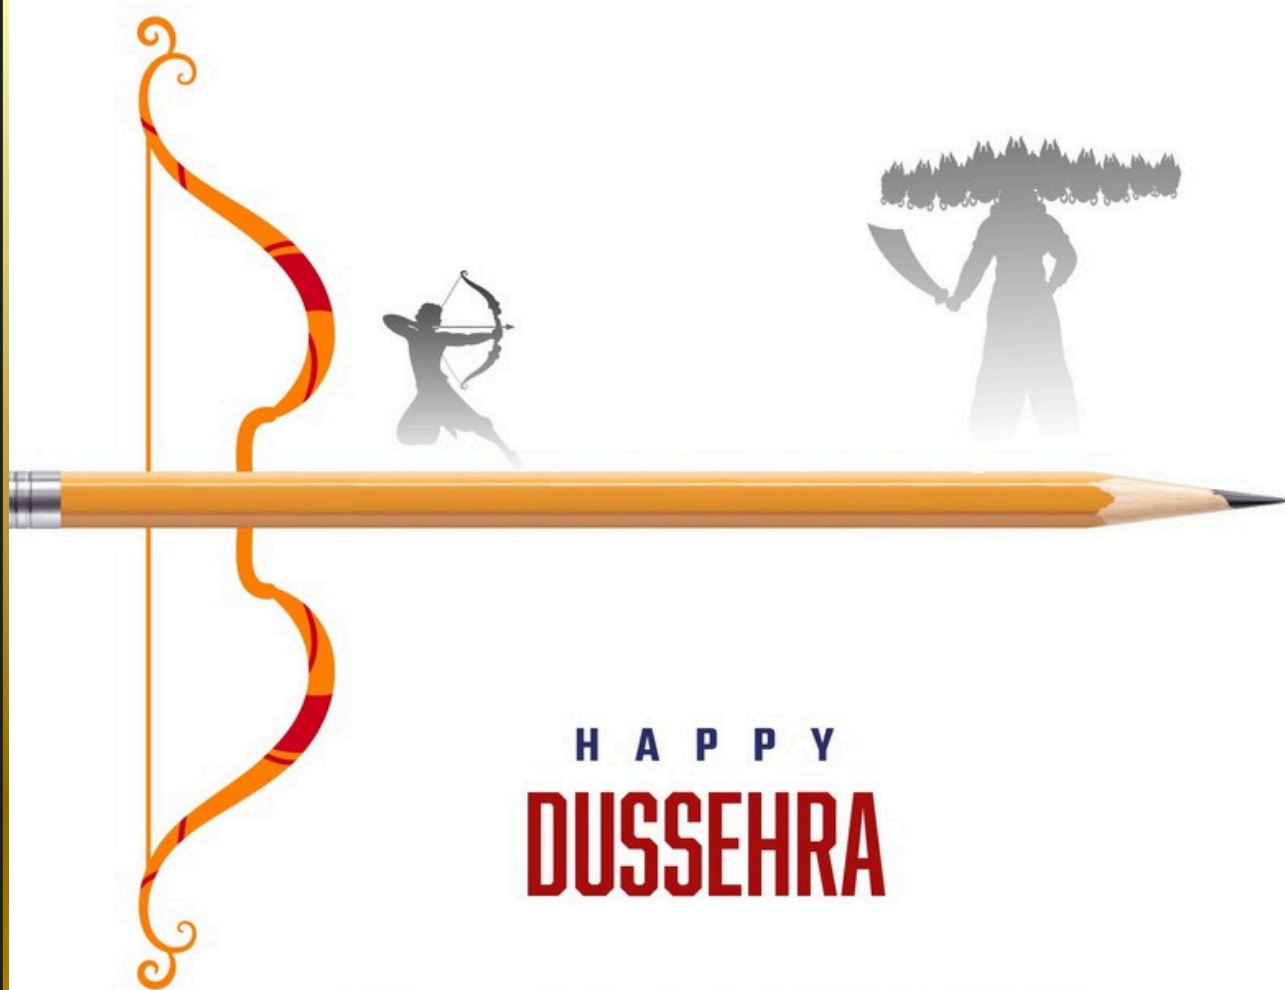

Mind Game Activity

Today at Brighton World School, Grade I students engaged in a mind game activity to enhance various skills, including:

- **Problem-solving:** Students figured out how to connect dots without crossing lines, promoting critical thinking and creativity.
- **Spatial reasoning:** The game improved their ability to visualize spatial arrangements and understand object relationships.
- **Fine motor skills:** Tracing lines without intersections helped develop hand-eye coordination.
- **Strategic planning:** Students learned to anticipate future moves, fostering long-term thinking.
- **Concentration:** The game required focus and attention to detail, strengthening their concentration.
- **Patience:** Students practiced perseverance through trial and error, learning not to get discouraged by challenges.
- **Visual pattern recognition:** They developed logical thinking by identifying patterns to meet game constraints.
- **Creative thinking:** The game encouraged out-of-the-box thinking to find non-obvious solutions.

This engaging activity contributed significantly to the students' cognitive and motor skill development!

Cyber security & Safety Presentation

A Grade 7 student of Brighton World School successfully presented a PPT on Cyber Security and Safety. The presentation covered key topics such as:
The presentation ended with a Q&A session, encouraging interaction and discussion among students. It was well-received, demonstrating the student's understanding of the subject and promoting awareness about staying safe online. This initiative reflects Brighton World School's commitment to equipping students with essential 21st-century skills and digital safety knowledge.

Orange Day Celebration

Orange Day Celebration at Brighton World School

The Pre-Primary section of Brighton World School celebrated Orange Day with great enthusiasm and joy. The event aimed to introduce children to the vibrant color orange and engage them in fun, creative activities centered around the theme.

Inter - School Competition

Brighton World School hosted SSPM's 39th Foundation Day Inter-School Sports Competitions on 18th October 2024, celebrating athleticism and teamwork. Sister concerns, participated in this event, fostering a spirit of healthy competition and camaraderie.

Sports Events:

- 1. Running**
- 2. Football**
- 3. Relay Race**

The competition embodied the essence of sportsmanship, providing students with a platform to showcase their skills and teamwork. Spectators and attendees were encouraged to cheer for their teams, creating an energetic and supportive atmosphere.

This event emphasized the importance of:

**Teamwork and leadership.
Fitness and athletic performance.
Active participation beyond academics.**

The event reflects commitment to holistic education, balancing academics with co-curricular activities to nurture well-rounded individuals. With enthusiastic participation and vibrant performances, the day became a memorable experience for all involved.

Primary Section Picnic

Brighton World School organize a picnic to Monteria Village for students of Grades 1 to 5.

Secondary Section Picnic

Brighton World School is excited to share the videos of our wonderful trip to Mahabaleshwar! Each clip beautifully captures the essence of our students' time together—whether it was the scenic beauty, the laughter they shared, or the unforgettable moments they created along the way. Experiences like these remind students of the importance of taking a break, embracing nature, and building connections beyond the classroom. The serene hills, lush greenery, and refreshing moments will remain cherished memories for a long time.

Diwali Celebration

Brighton World School celebrated Diwali with great enthusiasm and joy. The event began with a traditional lighting of the lamp, symbolizing the victory of light over darkness and knowledge over ignorance. Students performed cultural dances and recited Diwali-themed poems, reflecting the significance of unity and prosperity. A short play by the students depicted the story of Lord Rama's return to Ayodhya, teaching the values of perseverance, devotion, and kindness. The younger children enjoyed Rangoli-making competitions, decorating the premises with vibrant patterns symbolizing good fortune. The celebration emphasized the need for an eco-friendly Diwali, urging everyone to avoid bursting harmful firecrackers and instead focus on celebrating with lights, sweets, and shared joy. Teachers shared inspiring thoughts on the importance of inner happiness, gratitude, and kindness during festivals, reminding everyone to extend love and support to those in need. The event concluded with Prasad distribution and a heartfelt message from the coordinator encouraging students to celebrate the festival in a way that spreads light not only around them but also within.

Angel Paws

**In the midst of chaos, when days grow wild,
A furry savior appears, so meek and mild.
With silent steps and a gentle purr,
He weaves a calm in the stormy blur.**

**His eyes, two orbs of tranquil night,
Chase away shadows, bring soothing light.
In his presence, my worries wane,
A silent healer, easing my pain.**

**He doesn't know the role he plays,
In bringing peace to my hectic days.
A loyal friend, through thick and thin,
My quiet savior, my feline kin.**

**With every nuzzle and playful leap,
He grants me solace, promises to keep.
Unseen guardian, always near,
Whispering comfort, silencing fear.**

**So here's to you, my furry knight,
Bringing calm to the darkest night.
Unaware of the joy you bring,
My silent hero, my everything.**

**-Madhurima Goswami.
(Assistant Teacher)**

Cyber Safety & Security

Don't share personal information: Avoid sharing personal information like your full name, address, phone number, or date of birth on social media or other online platforms.

Use strong passwords: Use unique, secure passwords that are difficult to guess. Avoid using your name, phone number, or date of birth as your password.

Be careful with links: Don't click on links from strangers or unknown sources. Before clicking on a URL, make sure it's secure and encrypted.

Keep software updated: Software updates often include new security features.

Avoid open WiFi networks: Hackers can set up rogue open networks that look like public networks.

Back up data: Regularly back up important data.

Use antivirus and antimalware software: Use antivirus and antimalware software on your electronic devices.

Use a security file-sharing solution: Use a security file-sharing solution to encrypt data.

Use two-factor authentication: Use two-factor authentication.

Grade :- VII

Guidelines to Parents

Guideline to parents related to parenting

Communication is Key: Regularly communicate with teachers to stay informed about your child's progress and any challenges they may be facing.

Establish Routine: Set a consistent daily routine to provide stability for your child. This includes regular sleep patterns, study time, and recreational activities.

Create a Homework-friendly Environment: Ensure a quiet and organized space for your child to complete their homework. Minimize distractions and offer support when needed.

Encourage Reading: Foster a love for reading by providing a variety of age-appropriate books. Reading together can strengthen the parent-child bond.

Limit Screen Time: Monitor and limit screen time to ensure a healthy balance between academic and recreational activities. Encourage outdoor play and social interactions.

Attend Parent-Teacher Meetings: Actively participate in parent-teacher meetings to discuss your child's progress, strengths, and areas that may need improvement.

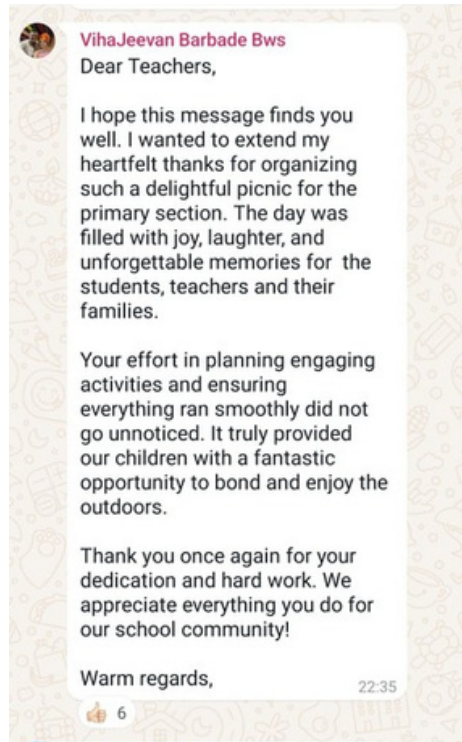

Promote Healthy Habits: Emphasize the importance of a balanced diet, regular exercise, and sufficient sleep for overall well-being and optimal academic performance.

Encourage Critical Thinking: Foster critical thinking skills by engaging your child in discussions, asking open-ended questions, and encouraging them to express their opinions.

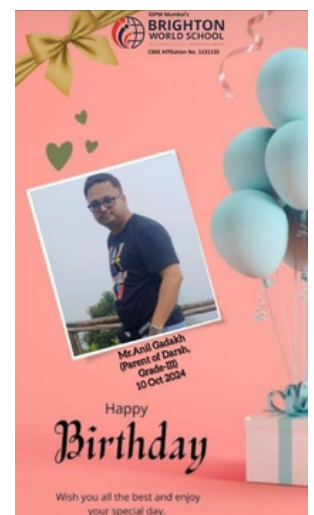

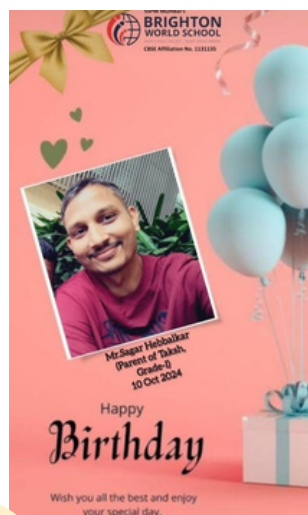

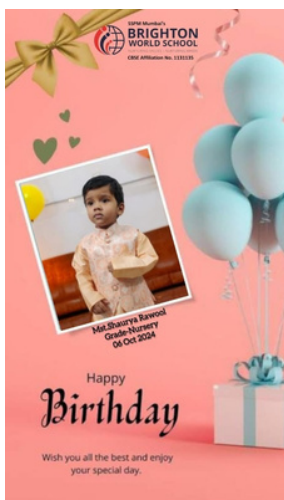

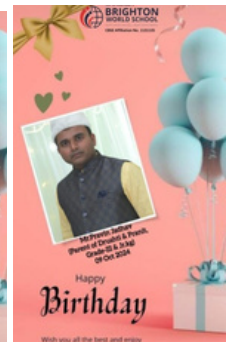

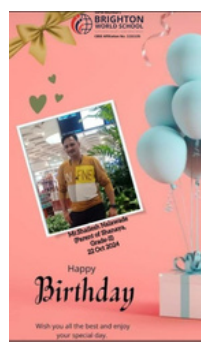

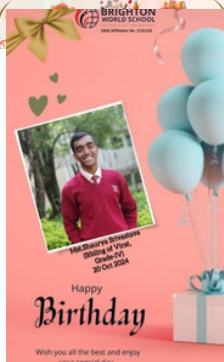

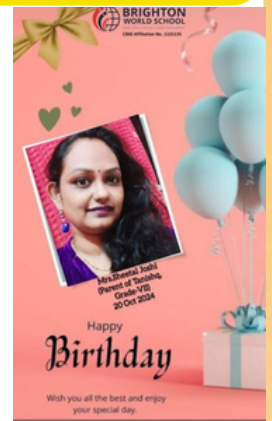

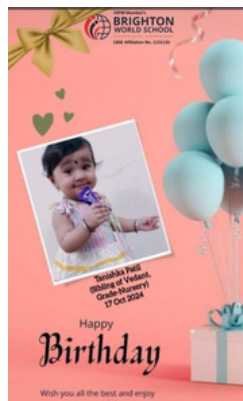

Set Realistic Expectations: Establish realistic expectations for your child's academic performance, taking into account their individual strengths and challenges.

Support Emotional Well-being: Pay attention to your child's emotional well-being. Encourage open communication about their feelings and provide support when needed.
