MESSAGE FROM HON. CHAIRMAN

Education:- The passport to future
Education education is most powerful tool
for Bright future education is a process of
acquiring knowledge skills, values and habits
through teaching training or study Mahatma
Gandhi emphasis the important of education
as a means for individual and societal
transformation .He believe in education that
nurtures character morality and self
Reliance rather than mere academic
knowledge everyone wants a good life an
educated person has a batter livelihood of
leading up a high paying job than an
uneducated person warren Buffet who
stands with a net worth\$ 70 billion hold a
MSC in economics from Columbia
University. This are example but generally
the successful people are highly educated

It would be a wrong conclusion that education is all about studying
and getting good grades ,Education is not about learning pedagogy
but to become smart , enough to live our life making smart decision
The Roots Of Education Are Bitter ,But the fruit is sweet .

Commendable Support

Hon. Dr. Vaishali Veer

(Education Officer Planning - Mumbai)

Brighton World School takes pride in its commitment to excellence in education, and the guidance of dedicated leaders plays a pivotal role in this journey. Vaishali Ma'am, in her capacity as an Education Officer, has been a pillar of strength, offering unwavering support in shaping the academic and administrative framework of the school.

Her strategic insights, mentorship, and continuous efforts in enhancing teaching methodologies have significantly contributed to the school's progress. With a deep commitment to student success and faculty development, she has been instrumental in fostering a nurturing and progressive learning environment.

Her commendable support continues to inspire and uplift the entire Brighton World School community, ensuring that the institution moves forward with a vision of excellence and innovation.

MESSAGE FROM PRINCIPAL DESK

At Brighton World School, we believe that education is not just about acquiring knowledge but about shaping responsible, compassionate, and forward-thinking individuals. Our commitment is to provide a nurturing environment that fosters academic excellence, character development, and holistic growth.

With a strong emphasis on values, creativity, and critical thinking, we strive to equip our students with the skills necessary to thrive in a rapidly evolving world. Our dedicated educators work tirelessly to create an engaging and inclusive learning atmosphere, ensuring that every child feels valued and empowered.

Beyond academics, we encourage students to participate in various extracurricular activities, leadership programs, and community initiatives. These experiences help them develop confidence, resilience, and a sense of responsibility toward society. At Brighton World School, we take pride in our collaborative approach, where parents, teachers, and students work together as a close-knit community. Your trust and support inspire us to reach greater heights and continue our mission of excellence in education.

Together, let's create a future where our children not only dream big but also achieve those dreams with determination and integrity.

Grade :- X Prelim 1 Exam

Grade X - Prelim I examinations have commenced at Brighton World School, marking a significant milestone in the academic journey of the students. These exams are not merely a test of knowledge but a step towards building confidence and preparedness for the board exams.

Grand Success of the Annual Function Party & Certificate Distribution

The Pakoda Party at Brighton World School celebrated a joyful Pakoda Party in accordance with the grand success of the Annual Function "Ashwamedh." This event was a token of gratitude and appreciation for the tireless efforts and dedication of all staff who made Ashwamedh a remarkable milestone.

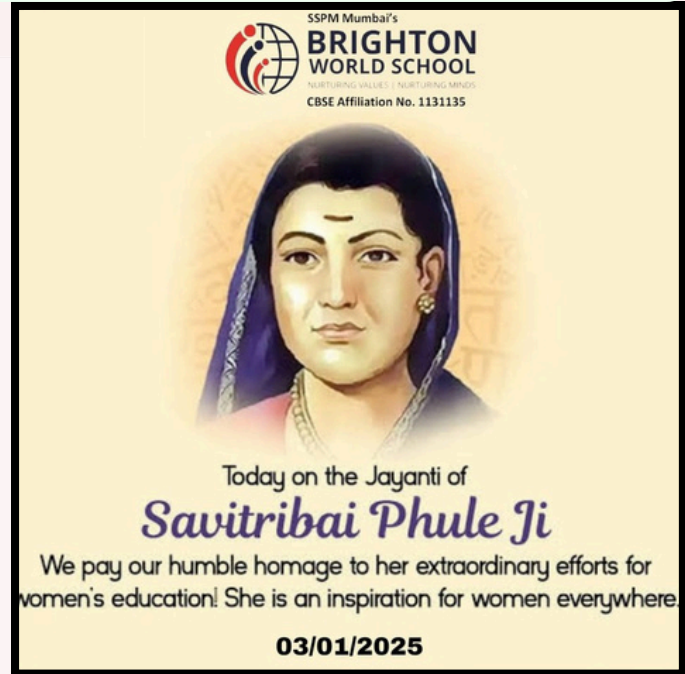

The staff of Brighton World School, along with the staff from the sister concern unit, were honoured with appreciation certificates by Hon. Pankaj Veer Sir. This recognition was awarded in acknowledgment of their outstanding efforts in ensuring the grand success of the Annual Function "Ashwamedh."

This joint appreciation underscores the dedication, teamwork, and synergy between both institutions, reflecting their shared commitment to excellence. Such recognition fosters a sense of pride and inspires continued collaboration and innovation. Heartfelt congratulations to all staff members of Brighton World School and the sister concern unit for this well-earned honour!

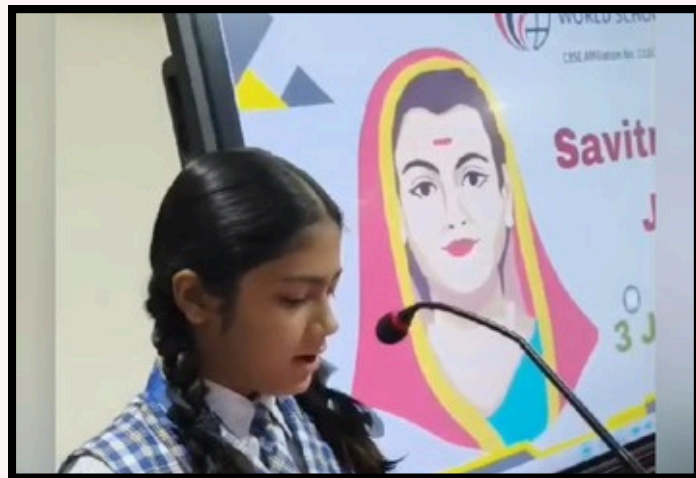

Savitribai Phule Jayanti

Savitri Bai Phule Jayanti is a celebration of the birth anniversary of Savitri Bai Phule, a prominent social reformer and women's rights activist in India. She played a significant role in advocating for women's education and empowerment during the 19th century. Her contributions to the field of education and her efforts to challenge social norms have had a lasting impact on society. This day is observed to honor her legacy and to recognize her invaluable contributions to the advancement of women's rights in India.

Periodic Test - II Exam

Periodic Test - II is conducted in the classroom to assess how much students have learned up to that point in the term. It helps teachers understand the students' strengths and weaknesses in different subjects.

Admission Campaign

Admission campaign has been started, and teachers are visiting shops to promote the school. This could be an effective way to reach out to the community and create awareness about the school's offerings. Teachers are informing shop owners, employees, and customers about the school's programs, values and admission process.

Speaking Skills activity

Public Places

Brighton World School has initiated a new lab activity, aiming to foster curiosity and enhance practical learning among students. The lab sessions are designed to encourage hands-on experience, critical thinking, and innovative problem-solving. This approach is expected to bridge the gap between theoretical knowledge and real-world application, nurturing young minds to think scientifically and creatively.

Finalize the book for academic year 2025-26

Teachers of Brighton World School have started working on research and development (R&D) for the curriculum for the Academic Year 2025-26. This initiative aims to enhance the learning experience by incorporating innovative teaching methods, up-to-date educational resources, and aligning the curriculum with the latest educational standards. The focus is on creating a more engaging, relevant, and holistic curriculum that caters to the diverse needs of students, preparing them for future challenges.

OUR CORE VALUES READING

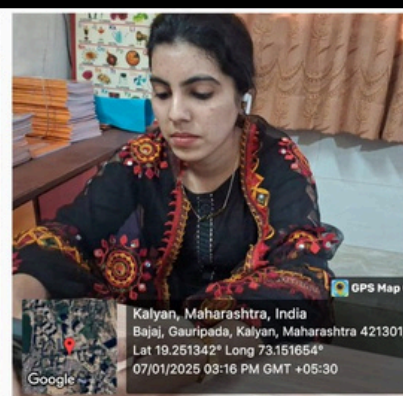

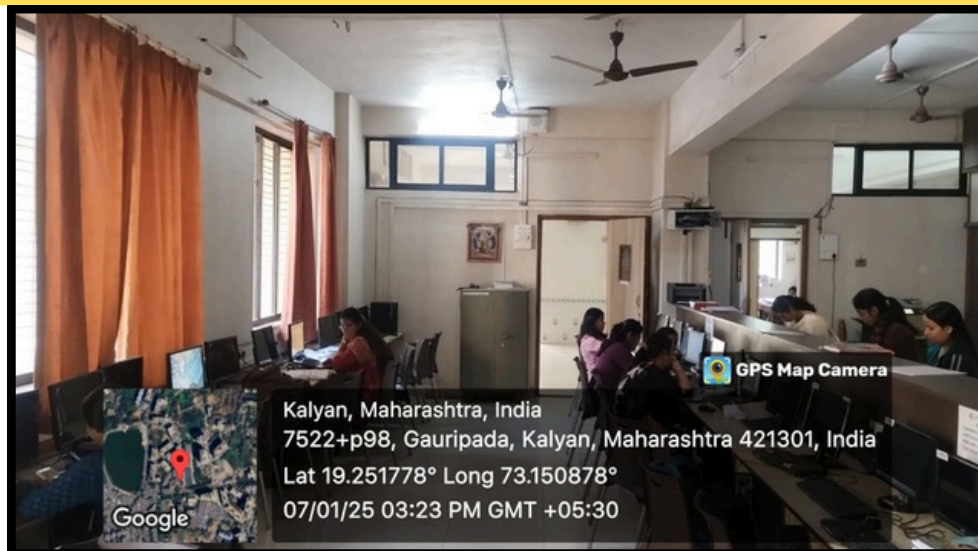

At Brighton World School, both teaching and non-teaching staff have started the practice of reading and reflecting on the Vision, Mission, and Core Values of the school. This initiative aims to ensure that all members of the school community are aligned with the institution's guiding principles and work towards a unified goal. By regularly revisiting these foundational elements, the staff is encouraged to uphold the school's ethos in their daily interactions and responsibilities, fostering a cohesive and purpose-driven environment for students and the broader school community.

CRC Head Visited our school

Mr. Ramu Doke Sir , the CRC Head, visited Brighton World School to review the status of the Saral Portal, Apar ID, and the functioning of various committees. His visit focused on ensuring that all administrative tasks related to these systems are up-to-date and aligned with regulatory requirements. This review is crucial for maintaining the school's compliance with educational standards and improving operational efficiency. Mr. Doke's insights and feedback are expected to help streamline processes and enhance the overall management of the school.

6 Days Teacher's Training

The 6-day training program for lab activities at Brighton World School is organized by Kreedo. This training aims to provide teachers with in-depth knowledge and practical skills to conduct effective and engaging lab sessions. Kreedo's expertise in innovative educational practices will help teachers integrate hands-on activities with the curriculum, enhancing students' understanding and interest in various subjects. This collaboration is expected to bring a new dimension to practical learning at the school.

Pre- Primary Lab Activity

Introducing New Learning Objects in the Lab:

1. Parts of the Body
2. Evaluation of Butterfly
3. Evaluation of Hen
4. Solar System Planets
5. Tree Puzzle (Germination of Tree)

Teachers conducted this lab activity today for the Pre-Primary section to inspire curiosity and foster a deeper understanding of these concepts through hands-on learning.

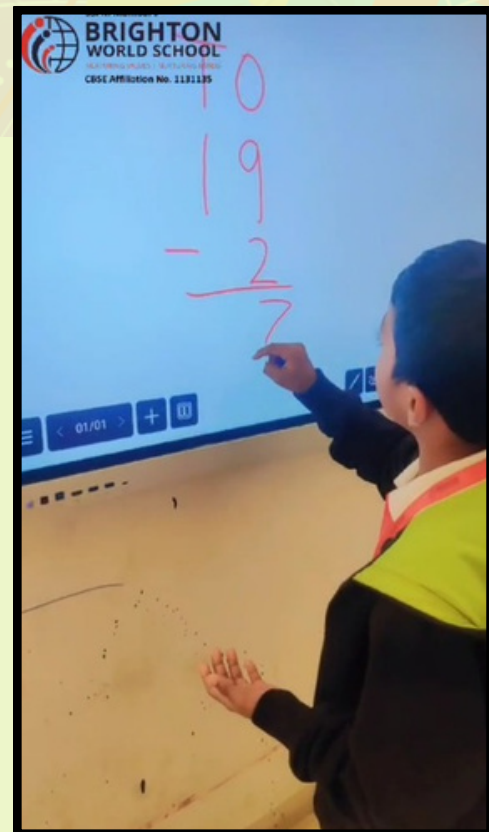

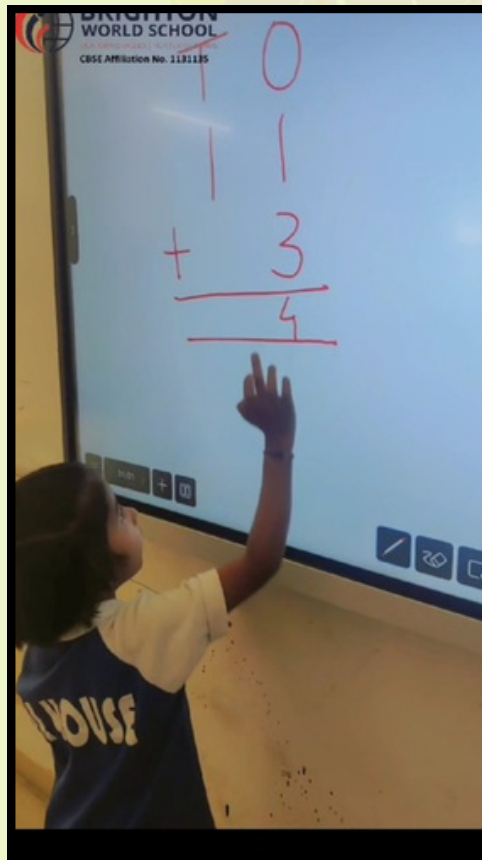

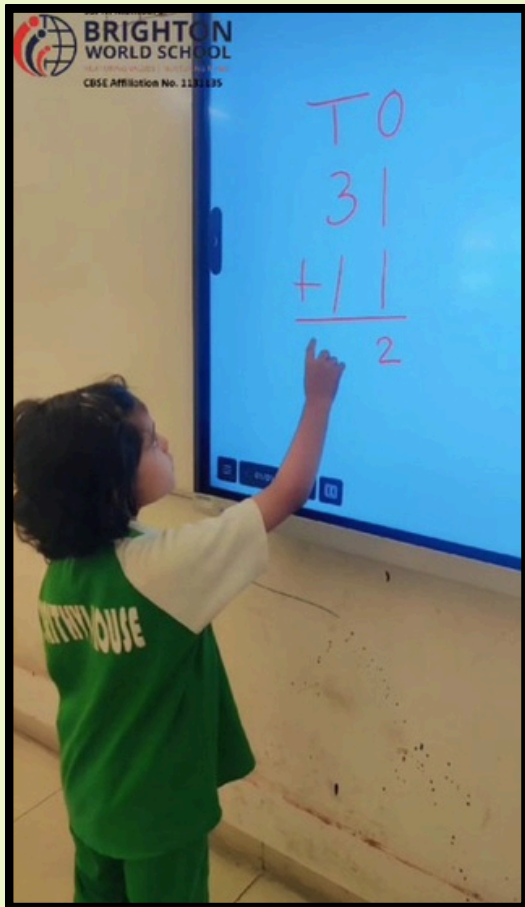

Kreedo App Training (Pre- Primary Section)

Pre-primary and primary teachers at Brighton World School attended a training program organized by Kreedo. The training aimed to equip teachers with in-depth knowledge and practical skills for conducting engaging lab sessions. Kreedo's expertise in innovative educational practices will help teachers integrate hands-on activities with the curriculum, enhancing students' understanding and interest. This collaboration is expected to add a new dimension to practical learning at the school.

Addition & Subtraction

At Brighton World School, teachers and students have started using the interactive panel. Students were thrilled to practice addition and subtraction on the interactive panel, which made learning more engaging and enjoyable. This innovative approach not only enhances their understanding of mathematical concepts but also fosters excitement for learning through technology. Integrating such interactive tools reflects the school's commitment to modern educational practices and continuous improvement in teaching methods.

Hoola Hoops Activity (Pre- Primary Section)

Grade- *Nursery*

Engaging students in a *Hula Hoop* activity offers a range of developmental and educational benefits:

1. Gross Motor Skills Development:

Enhances coordination, balance, and body control.

Improves core strength and overall physical fitness.

2. Hand-Eye and Foot-Eye Coordination:

Develops timing and coordination needed to spin, catch, or jump with the hoop.

3. Social Skills:

Promotes teamwork and cooperative play through group activities and games.

Encourages turn-taking, sharing, and following rules.

4. Cognitive Skills:

Builds problem-solving and strategic thinking by experimenting with different ways to move the hoop.

Reinforces listening skills through following multi-step instructions.

5. Self-Regulation and Emotional Development:

Develops patience, perseverance, and resilience as children practice new skills.

Boosts self-esteem through successful participation.

6. Mathematical Concepts

Introduces shapes (circles) and basic counting when used in structured games.

Kite Making Activity (Pre- Primary Section)

The Kite Making Activity promises to be an enjoyable experience for pre-primary students at Brighton World School, sparking joy and creativity while providing a memorable way to celebrate together. This event not only emphasizes fun but also encourages learning about tradition and teamwork.

Kite Making Activity

Pre-Primary

A kite-making activity in the pre-primary section can be a fun and engaging way to introduce young children to the concept of kites and promote their creativity and fine motor skills. Here's a suggested approach for the activity:

****Introduction: Begin by introducing the concept of kites to the children. Show them pictures or real kites to generate excitement and curiosity.**

Happy Makar Sankranti

May the harvest season bring
bountiful joy and prosperity
to your life.

Makar Sankranti Celebration

Pre- Primary Section

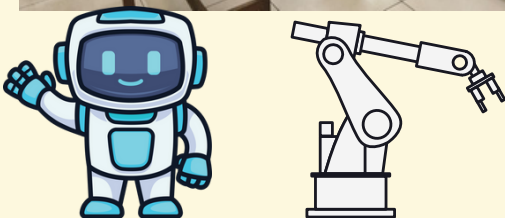

Makarsankranti was celebrated with great enthusiasm at Brighton World School. Students participated in the exciting tradition of flying kites, symbolizing joy and good fortune. In the spirit of sharing and togetherness, tilgul (a sweet made of sesame and jaggery) was distributed among the students, accompanied by thoughtful messages encouraging unity, positivity, and the importance of this festival. The atmosphere was filled with energy, as students enjoyed the cultural significance and fun of the celebration.

AI Robotics Demo Session

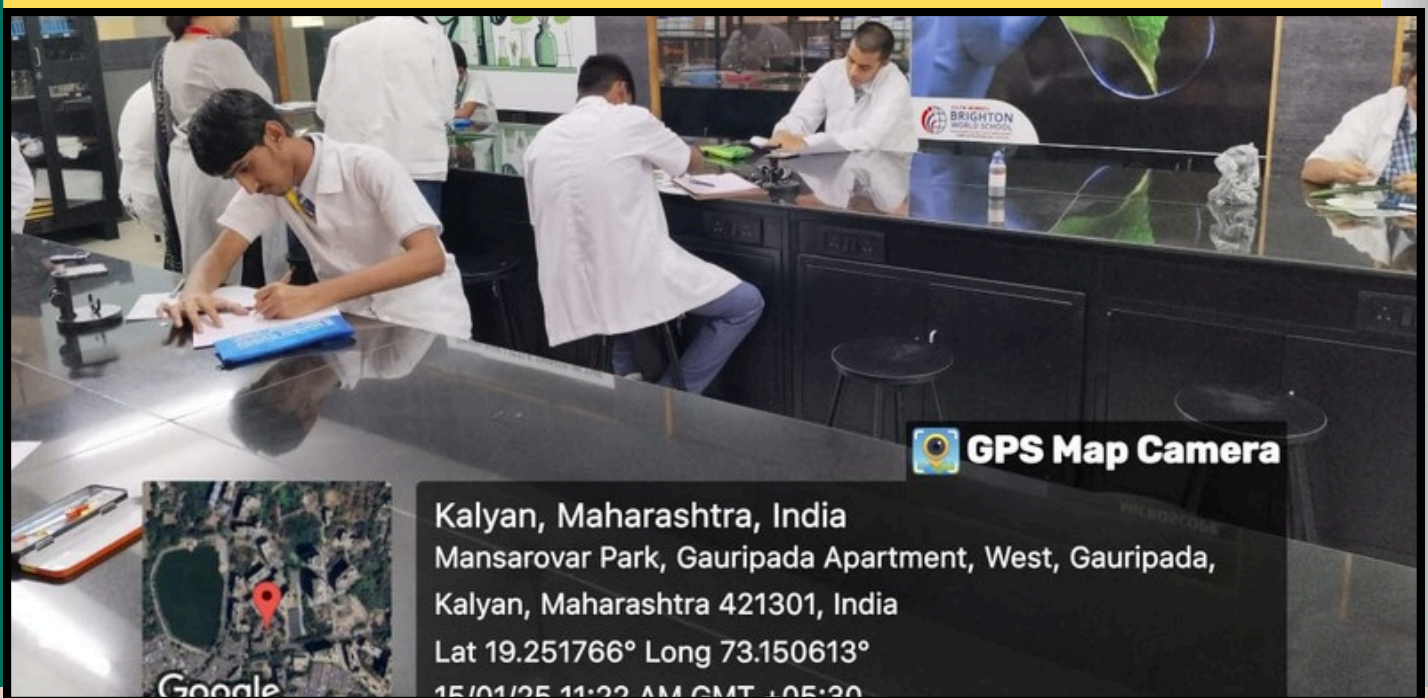

The demo on AI and Robotics conducted at Brighton World School for all staff was an insightful and engaging session. It highlighted the transformative potential of artificial intelligence and robotics in education, showcasing how these technologies can enhance teaching, streamline administrative tasks, and provide innovative learning experiences for students.

Grade - X Science Practical Exam Round 1

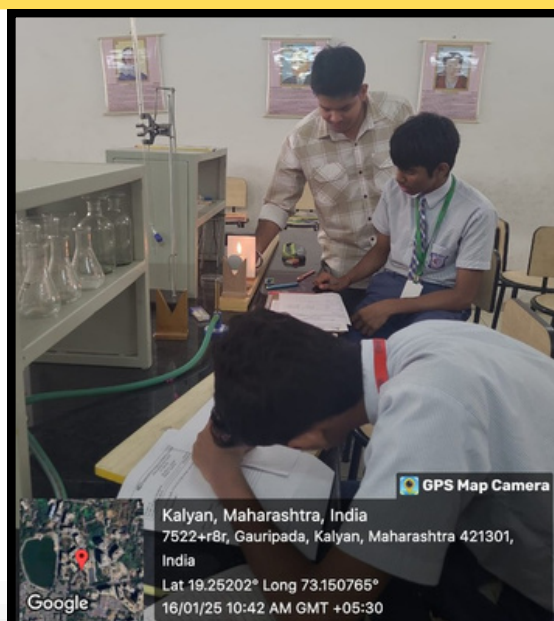

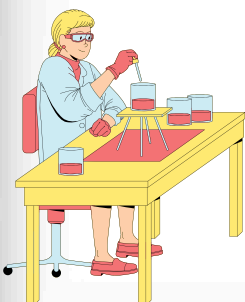

Grade X Science Practical Round I at Brighton World School was successfully completed, offering students the opportunity to apply theoretical knowledge in real-world experiments. This practical session likely helped deepen their understanding of scientific concepts and sharpened their skills in observation, measurement, and analysis.

Grade - X Science Practical Exam Round 2

Grade X Science Practical Round II at Brighton World School was successfully completed, offering students the opportunity to apply theoretical knowledge in real-world experiments. This practical session likely helped deepen their understanding of scientific concepts and sharpened their skills in observation, measurement, and analysis.

Purple Day Celebration (Pre - Primary Section)

Purple Day is often associated with raising awareness about epilepsy. The day encourages people to wear purple and engage in activities to educate and support those affected by epilepsy.

A Teddy Bear card activity is a creative and engaging way to celebrate Purple Day. Host a Purple Day party where everyone dresses in purple and participates in creating these cards.

Combine the card activity with a short educational session on epilepsy.

This activity combines creativity with a meaningful cause, making Purple Day memorable and impactful.

Swami Vivekanand Poster & Essay Competition

Certificates and medals were distributed to the winners of the Grade 9 and 10 Swami Vivekananda Jayanti-themed poster and essay competition at Brighton World School organized by Nehru Yuva Kendra - Thane. This recognition was in appreciation of their creative efforts and thoughtful contributions to the event.

Karate Class Demo

A karate demonstration was successfully conducted at Brighton World School in front of the parents. The event showcased the students' skills, discipline, and physical abilities, emphasizing the importance of self-defense and fitness. Following the positive response, the school plans to officially start karate sessions for students from February. This initiative aims to enhance students' confidence, focus, and overall well-being.

Periodic Test -II P.T.M

The Parent-Teacher Meeting (PTM) for Periodic Test II was successfully conducted today at Brighton World School for Grades I to IX. The session facilitated meaningful discussions between teachers and parents, focusing on students' academic performance, strengths, and areas for improvement. This interaction aimed to enhance the partnership between the school and parents to support the overall development of the students.

76th Republic Day Celebration

Republic Day Celebration at Brighton World School. The event was a perfect blend of patriotism, cultural pride, and enthusiasm.

From the flag hoisting ceremony to the inspiring speeches, cultural performances, and energetic participation of our students, every moment radiated the spirit of unity and love for the nation.

Let us cherish these memories and continue to nurture the values of freedom, equality, and democracy. Jai Hind!"

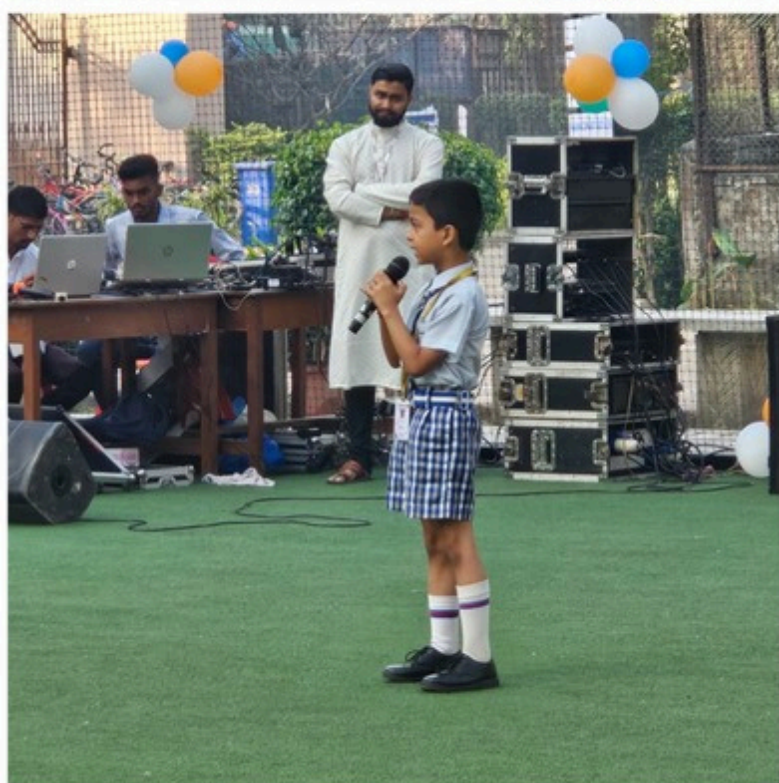

The 76th Republic Day celebration at Brighton world school is a momentous occasion to commemorate the milestone of India's journey as a sovereign nation. Schools often plan grand events to mark this significant day. The celebrations may include a flag hoisting ceremony by a special guest or a respected member of the school community. Students may participate in cultural performances, such as patriotic songs, dances, and skits that showcase the rich heritage and diversity of India. Speeches highlighting the importance of the Constitution and the values it upholds are also a common part of the program. Some schools may organize parades or march pasts by students, showcasing discipline and unity. It is a time for students to reflect on the progress made by the nation and to renew their commitment to the ideals of democracy, equality, and justice. The 76th Republic Day celebration in school is an opportunity for students to express their love for their country and to feel a sense of pride in being a part of this historic milestone.

Robotics Evolution

Robotics has undergone significant evolution over the years, and it presents an exciting field of study for students. Understanding the evolution of robotics can provide valuable insights into its current state and future possibilities. Here is a brief overview of the evolution of robotics for students:

- 1. Early Robotics:** The field of robotics traces its roots back to ancient times, with early inventions like automatons and mechanical devices. These early attempts laid the foundation for the development of more sophisticated robots.
- 2. Industrial Robotics:** In the mid-20th century, robotics began to be used in industrial settings. These robots were primarily designed for repetitive tasks in manufacturing, such as assembly line operations. They were large, stationary machines programmed to perform specific tasks.
- 3. Mobile Robotics:** As technology advanced, robotics expanded beyond stationary industrial robots. Mobile robots, equipped with sensors and actuators, were developed to navigate and interact with their environment. This led to the emergence of autonomous robots capable of performing tasks in various settings.
- 4. Humanoid Robotics:** Humanoid robots, designed to resemble humans in appearance and behavior, gained attention in recent years. These robots are equipped with advanced sensors, artificial intelligence, and natural language processing capabilities. They can interact with humans, perform complex tasks, and even assist in healthcare and customer service.
- 5. Educational Robotics:** Robotics has become an integral part of educational curricula worldwide. Educational robotics platforms and kits are designed to introduce students to the principles of robotics, programming, and problem-solving. These platforms often include programmable robots that students can assemble, program, and experiment with, fostering creativity and critical thinking skills.

स्वागतगीत

है वंदनीय स्वागत सतबार है तुम्हारा । सतबार है तुम्हारा॥

अभिनंदनीय स्वागत सतबार है तुम्हारा॥

सतबार है तुम्हारा ।

अपने पास धन है कोई नहीं रतन है
सर्वस्व फूल है यह इनमें ही तन है मन है इनमें ही तन है मन है,
स्वीकार कर लो अर्पित यह हार है हमारा,

यह हार है हमारा

है वंदनीय स्वागत सतवार है तुम्हारा सतबार है तुम्हारा बरसों
की लालसा थी ,

था चाहता यही मन ।

आवे कभी किसी दिन श्रीमान देंगे दर्शन, श्रीमान देंगे दर्शन।

आए हो तुम तो चमका सौभाग्य का सितारा - सौभाग्य का
सितारा ।

स्वागत तुम्हारा करता ब्राइटन वर्ल्ड हमारा ब्राइटन वर्ल्ड हमारा

है वंदनीय स्वागत सतबार है तुम्हारा- सतबार है तुम्हारा

अभिनंदनीय स्वागत सतबार है तुम्हारा सतबार है तुम्हारा॥

Guidelines to Parents and Guardians

Guideline to parents related to parenting

Communication is Key: Regularly communicate with teachers to stay informed about your child's progress and any challenges they may be facing.

Establish Routine: Set a consistent daily routine to provide stability for your child. This includes regular sleep patterns, study time, and recreational activities.

Create a Homework-friendly Environment: Ensure a quiet and organized space for your child to complete their homework.

Minimize distractions and offer support when needed.

Encourage Reading: Foster a love for reading by providing a variety of age-appropriate books. Reading together can strengthen the parent-child bond.

Limit Screen Time: Monitor and limit screen time to ensure a healthy balance between academic and recreational activities.

Encourage outdoor play and social interactions.

Attend Parent-Teacher Meetings: Actively participate in parent-teacher meetings to discuss your child's progress, strengths, and areas that may need improvement.

Promote Healthy Habits: Emphasize the importance of a balanced diet, regular exercise, and sufficient sleep for overall well-being and optimal academic performance.

Encourage Critical Thinking: Foster critical thinking skills by engaging your child in discussions, asking open-ended questions, and encouraging them to express their opinions.

Set Realistic Expectations: Establish realistic expectations for your child's academic performance, taking into account their individual strengths and challenges.

Support Emotional Well-being: Pay attention to your child's emotional well-being. Encourage open communication about their feelings and provide support when needed.
